2017 FUNDRAISING PRICE LIST

Our Christmas greenery is carefully handcrafted on heavy steel frames that will hold their shape and are packed in bundles as listed. We offer wreaths and roping/garland made of balsam, and balsam-cedar-white pine (BCP). Christmas wreaths are decorated with single pine cones placed evenly around the wreath and a four-loop, weather durable red velvet bow. Other products have decorations as described or pictured.

Sizes listed are approximate as all items are handmade.
